

# The Unofficial REMODELERS EVENT

Held on September 30, 2009 in conjunction with the NAHB Fall Board in Chicago was a great success!

Raising enough funds for the Brian Patchan Scholarship Program to bring several potential new leaders to the NAHB Spring Board meetings while enjoying a beautiful night on the Chicago River.

The guide from Chicago's Little Lady, the official river cruise of the Chicago Architecture Foundation, was thrilled to share the City's incredible architecture with a captive group of over 50 industry leaders. The event was put together by Douglas Sutton, CAPS, CGR, NAHB Senior Life Director, catered by Harry Caray's Restaurant and sponsored by 3 incredible HBA supporters.

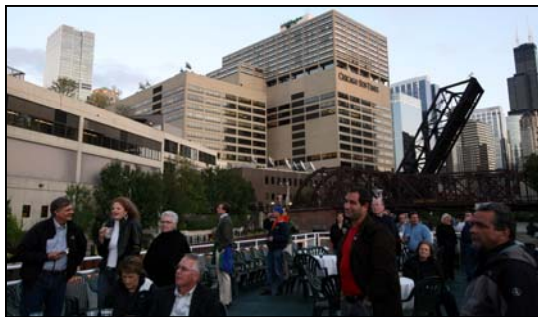

**Event Sponsors**

**Thank you to everyone that participated in this event, your support is greatly appreciated!**

**Keep the "unofficial" Remodelers events in mind for the next NAHB Fall Board meetings.**
